Respondent Identification:

The Iowa Social Science Research Center (ISRC) contracted with a respected web panel vendor to field the survey to a demographically representative sample of 1,123 respondents.

Respondents invited to complete the web survey were U.S. adults, ages 18 to 120, recruited for participation via web panel. To obtain a census-representative sample, quotas were set on the following demographics: sex, age, and census region.

Weighting:

Reported results are weighted by age, sex, and census region.
